ASHLEY BELLE GLADE MAYOR; ELLIS SWORN INTO OFFICE

BELLE GLADE — Appointment of Walter Ashley as mayor and seating of Eugene Ellis as new commissioner from North-borough succeeding former Mayor Harold Rabin climaxed the regular City Commission meeting Wednesday evening.

Commissioner H. O. Carlton relinquished the post of vice mayor, which he has held since Rabin's resignation, and left the

BOLITA, BOOZE IN SOUTH BAY

SOUTH BAY — Bolita tickets and contraband whiskey figured in local mayor's court Monday night.

Mayor S. J. Fisher, sitting as judge, heard Patrolman Lester Rhudy testify that Roger Benjamin, licensed taxi operator, had bolita tickets in his possession at a Saturday late afternoon. Benjamin, who had posted \$500 bond after his arrest, pleaded guilty to a charge of illegal sale of liquor on Feb. 27. He was found guilty and fined \$95, plus court costs on the charge, Mayor Fisher's record shows.

way open to reorganization of the commission for the balance of the fiscal year immediately after Ellis took oath of office from Justice of the Peace Joe Cherry.

Upon nomination of Ashley, by Herman Close, the commission unanimously appointed him to be mayor and he took the gavel from Carlton.

New Mgr. Present
Prior to reorganization of the commission, Carlton as vice mayor introduced newly-appointed City Manager Clarence Robinson to the department heads of the city, all of whom attended the meeting, and to interested citizens. Robinson heard his duties outlined when Carlton read City Ordinance No. 847 setting forth the responsibilities incumbent on the city manager. The new manager said that he would try to carry out his duties to the best of his ability and that he would work harmoniously with the various department heads.

PAHOKEE Teacher Gets Asst. Post

PAHOKEE — Appointment of Roy Evans, Pahokee elementary teacher, to a graduate assistantship at Appalachian State Teachers College, Boone, N. C. was announced this week.

Evans will complete work for his master's degree in secondary education and history. The assistantship grant in the amount of \$900 per academic year will enable Evans to receive his degree in 1956. A graduate of Louisiana College in 1949, with a degree in religion and psychology, Evans came to the local school system in 1954.

A veteran of four years in the Air Force, Evans began his college education in night school while in service and completed his college at Arizona State College, Tempe, Ariz.

Evans will finish the academic year here, complete a summer course, and then go to Boone in September 1955, he said.

MISSION WORK TOLD ROTARIANS

PAHOKEE — Rotarians heard Pahokee Rotarian Elmo B. Scoggin describe his missionary work in Egypt and the Near East at the meeting yesterday.

Scoggin, formerly pastor of the Canal Point Baptist Church, and at present conducting a revival there, has been pastor of churches in Nazareth and Jerusalem. He founded a Rotary Club in Nazareth and represented the Pahokee club at Rotary International Convention in Paris in 1953.

The theme of Rev. Mr. Scoggin's remarks was the Rotary motto, "Service Above Self." By drawing upon his many experiences in foreign lands for examples of how selfless service assists man in his journey through life, Rev. Mr. Scoggin pointed out to Rotarians the truths which, he believes, are the primary causes for being.

ARC Vehicle Is Asked For Glades

Speaking in behalf of the Glades area encompassing Belle Glade, Canal Point, and Pahokee, the Pahokee Woman's Club has requested County Red Cross headquarters in West Palm Beach for a vehicle to transport welfare patients to the coast and to Miami for treatment.

A resolution, submitted by Mrs. Frank Friend, woman's club chairman of resolutions, and signed by Mrs. Catherine M. Kennedy, club president, Miss Mary Janet Raley and Miss Jane Plumer, nurses with the Palm Beach County health department, and C. A. Batchelor, Red Cross drive chairman for Pahokee-Canal Point was prepared this week.

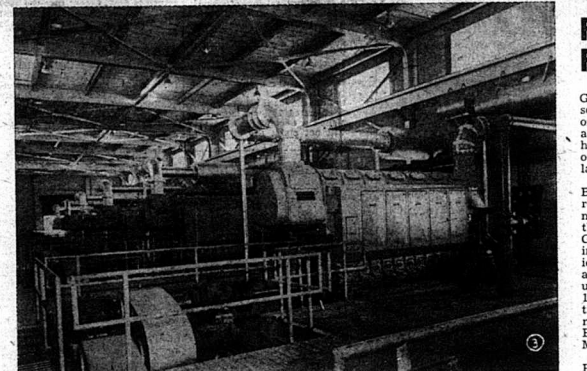

The resolution cites the need for a vehicle to take patients to West Palm Beach clinics and doctors and children to hospitals in Miami. It points out that in 1943 the people of Pahokee took up a collection under the leadership of Mrs. Kate Cross and purchased a Red Cross station wagon for such use.

Wagon Moved
Later, according to the resolution, after the station wagon had been used four years, the county Red Cross assumed payments for a new station wagon on which the old had been traded in, and transferred it to West Palm Beach.

Since that time, according to the resolution, individuals have been using their personal cars for this duty, and "this is so uncertain that the sick people are suffering for the lack of transportation."

County Red Cross officials have pointed out that there is a six-cents a mile allowance for individuals using their personal cars on such welfare trips.

They said that a vehicle such as that requested would not have steady use, and that as a more economical means, the mileage allowance for private cars had been set up.

Bass Contest Starting Tues. Under Pahokee Chamber of Commerce Eye

PAHOKEE—Next Tuesday is the date set for the start of the Pahokee Chamber of Commerce Black Bass Fishing Contest, following the "go ahead" given the contest by the C-C board of directors at its monthly meeting Monday.

Weekly, monthly, and final grand prizes will be awarded during the contest, from Mar. 15 to June 15, Contest Committee.

Elmer Jones is chairman of the committee on arrangements, assisted by Parrish and Marshall Lair.

Rules Set
Fishermen wanting to enter the contest must register at the Pahokee C-C office at Main St. and Lake Ave., paying \$1 registration, before they go off to catch the winning bass. Other rules, said Parrish, are that the fish must be weighed at an official weighing station (Jones Hardware, Western Auto, or Pahokee Service Station, and Canal Point Sports Shop, and fish must be caught on casting, spinning, or fly rod and reel.

Night fishermen will find it particularly advantageous that the 24-hour Pahokee Service Station, on E. Main St., will weigh fish at any time, Parrish said.

The weekly prizes will be \$150 in fishing merchandise according to the committee. The (Continued on Page 4)

Monday PTA Hears Guidance Expert

PAHOKEE—Dr. Joanna Byers, director, Palm Beach County Guidance Center, will be the guest speaker at the Pahokee Parent Teacher Association Monday night at 8 p.m. at the high school auditorium.

She will speak on "Mental Health and Child Guidance." James Vann, who arranged the program, announced that the Mental Health and Child Guidance Clinic for Palm Beach County is a recently developed agency, and its work is of great importance and deserves to be better known by school patrons.

He said he received more requests for a program dealing with this subject than any other, when making program plans for the year.

JUST TRY 'EM

Belle Glade Girl Scouts and Brownies will be knocking on doors next week to sell Girl Scout cookies. The cookies will be put on sale as soon as they are received in order to insure freshness.

HOMESTEADING POLICY WORD

The Homesteaded exemption policy for men in the service was clarified in a statement from County Tax Assessor James M. Owens, Jr. this week.

"There seems to be some misunderstanding about armed services personnel being granted the homesteaded exemption," he said, issuing the following statement:

"There is no law that distinguishes between a man who is following the Army as a profession than one in any other profession. An applicant for homesteaded exemption must be a resident of Florida, and he or his family must live in and occupy their home to the exclusion of all other places except where they may from time to time temporarily reside.

"A man in the armed forces who is stationed away from his home because of his business and rents his home would not be entitled to the benefit of the exemption any more than a man whose business is in the North and who owns a home in Florida, and rents his home or does not reside in his home as his principal, permanent residence.

"I can assure the law, the required residence would mean that a man would live in and occupy his home substantially all the time except when he might be away on vacation or on a short business trip or something of the kind, and in cases of this kind some members of the family would occupy the house except vacation periods. My point in making this statement is to clarify the misunderstanding on the part of some that just because a man is in the armed forces he is entitled to the exemption. This is not true. I hope that men in the armed forces who are contemplating buying houses will not be misinformed."

FINAL PLANS FOR MAR. 19

Final arrangements for the Glades-grown luncheon to be served prior to the dedication of Pump Station S5A were made at a meeting of Belle Glade, Pahokee and Clewiston Chamber of Commerce representatives last Friday.

St. Philip's Altar Society, Belle Glade, has agreed to be responsible for a new preparing the noon Glades-grown dinner for the 250 guests to be invited. Guests will include the five living former governors of Florida, Senator Spessard Holland and State and Congressional figures. Home economics students, 15 from each of the communities participating, will serve the noon luncheon to be held at the Belle Glade Country Club on March 19.

Garden Clubs from Canal Point-Pahokee and Belle Glade areas will be responsible for vegetable arrangements on the dining tables.

Plans have been made for preparing seed from plant Everglades Drainage District, Longtime EDD Engineer Fred Elliott will be the principal speaker at the luncheon which precedes the 3:00 p.m. public dedication ceremony of the Pump Station at Twenty Mile Beach.

It has been announced. Col. Robert H. Morse, chairman of the board of Fairbanks, Morse & Co. will be host for a 6:30 dinner at the George Washington Hotel in West Palm Beach for officials following the dedication ceremonies.

Experiment Sta. Contract, 2 Wks.

BELLE GLADE—The contract for a two-week experiment station and cold storage building at Everglades Experiment Station will be let Wednesday.

The building to be erected just to the west of the existing administration building on a site formerly occupied by two storage sheds, will be of CBS construction, 30 by 90 feet, one story in height and will contain four refrigerated rooms, two of which will have controlled humidity.

The building will be used primarily for cleaning, sorting and grading seed from plant breeding experiments, where they can be numbered, recorded and stored under proper humidity and temperature conditions.

Extensive work in plant breeding with corn, green beans and celery have been carried out at the Experiment Station for a number of years. According to Dr. Forsee, work is started on a number of lines at the same time, and whenever the crosses are made, it is necessary to save seed for future use, as well as from the parent stock.

It is sometimes necessary to save seeds for several years until new breeding lines are established. In order to accomplish this purpose, good laboratory and storage facilities are necessary. Increased production of vegetable and forage crops has been possible because of breeding varieties that are especially adapted to the Glades, according to Dr. Forsee.

Facilities for handling, labeling and drying a large number of plant samples will be included in the new building, as well as rapid drying ovens, pulverizing mills and storage facilities for other samples.

'1st Step' In Health D. Migr. Study

Termed a "logical first step" to find health and sociological needs of migrants, the Florida state Board of Health and the Palm Beach County health department this week installed Mrs. Veronica Richeimer in the Belle Glade area public health office to start work on a pilot study of some 100 migrant families.

Mrs. Richeimer arrived Monday to begin work under the direction of Dr. Ralph McComas, director of maternal and child health of the state board, and Dr. Loomis Koos, director of social welfare, Florida State University.

Mrs. Richeimer, formerly education director of the Dade County health department, will work as a team with William Hubbard on a medical and sociological history of the designated families.

Supervisor Upped
Meanwhile, the appointment of Miss Bana Rodriguez, supervisor of public health nurses in the Belle Glade area, to the post of field supervisor for the nursing section of the county health department, was announced.

Miss Rodriguez will take up her new duties Monday. No successor has been named. Mrs. Richeimer and Mrs. Fay Abbing, recent appointees to the health department nursing staff at Belle Glade will take over some of Miss Rodriguez' duties, the latter said.

Miss Rodriguez, who joined the health department staff at Belle Glade in September of 1954, has been active in civic affairs and has served on both the Red Cross disaster committee and the Migrant Advisory Committee. She is president of the Belle Glade Business & Professional Women's Club and has been vice president of the St. Philip's Altar Society.

4 IN SUGAR TRAIN CRASH

CANAL POINT—Four U. S. Sugar Corp. employees were injured when a train involved in a train crash yesterday morning, and two were seriously injured, it was reported.

Ernest Mosley, Pahokee, and Wilson Bordeaux, Canal Point were seriously injured and J. H. Bordeaux was slightly injured. The fourth man, Earl Hinson, was not injured, it was said.

Hinson, engineer of a corporation steam locomotive, apparently drove his engine through the No. 2 hoist switch on the main line.

His train of 35 42-foot cars ran into a loaded cane train standing at the hoist, before it derailed a sugar company official said.

Mosley was taken to a West Palm Beach hospital with an injured foot and Bordeaux suffered undetermined internal injuries at OBSERVER press time, received \$25,000 in an out-of-court settlement Wednesday.

Represented by local attorney Eugene J. West, West Palm Beach attorneys Sam Phillips, Jr. and Charles Nugent, Jr., Mrs. Roberts had entered suit in Circuit Court against Merlin U-Drive It Co. of Miami Springs as the result of a crash here on May 15, 1954.

In the original suit the driver of the U-Drive It car was charged with "negligently and carelessly driving so as to hit his vehicle collision with that driven by Mrs. Roberts. Claiming permanent injuries, Mrs. Roberts received \$25,000 from the Continental Casualty Co. and transportation insurance Co. issued the check settling the damages prior to the case going to court.

Church Activities In The Glades

REVIVALIST

BELLE GLADE WSCS GENERAL MEETING

The general meeting of the Woman's Society of Christian Service met Tuesday evening at Community Methodist Church, Belle Glade. The president, Mrs. R. Y. Creech, Jr., opened the meeting and presided over the business session. The devotion was given by Mrs. I. W. West. Accepted recommendations of the executive board were: that a collection be taken at circle meetings to cover supply work for the fourth quarter; that circles in charge of flowers on special occasions be given permission to ask members of the society to fix the flowers when ordering them from a florist; the tables which were made last year be turned over to the kitchen committee and that they be fixed; that the society pay the transportation and lodging of the president and one delegate to the annual conference at Fort Lauderdale in April. Mrs. George Farnall gave a report on the kitchen committee. Mrs. Creech announced that the society would meet April 11 instead of the regular date because of a conflict with the conference dates. It was announced there will be a rummage and white elephant sale Mar. 26.

REV. MR. OGLESBY

Sunday marks the beginning of a week long revival at Pahoee First Baptist Church, it was reported this week with the announcement that Rev. Verne F. Oglesby, Decatur, Ill., will conduct daily services. Rev. Mr. Oglesby, who has conducted revival campaigns in Texas, Illinois and Missouri, will hold evening services at 7:45 and morning services each week day at 7 a.m. A successful preacher and pastor, Rev. Mr. Oglesby has served in Decatur where he organized the Tabernacle Baptist Church with 38 charter members and in seven years time increased the membership to 900 and built a new church edifice seating 1,000 persons. Now retired due to illness, Rev. Mr. Oglesby is proud of the 30 young men who are now preachers whom he interested in the ministry. Special music under the direction of Mrs. Oglesby will feature a men's chorus and a junior choir at the services.

FRIENDSHIP CLASS HAS MONTHLY MEETING

The regular monthly meeting of the Friendship Class of Belle Glade Community Methodist Church was held last week at the home of Mr. and Mrs. Robert Abel, in the form of a wienie roast and pot luck supper. Mrs. J. E. Williams, Jr., class president, conducted the business meeting. The group voted to take on as a project to decorate and equip the infant nursery in the new church, to be completed before Palm Sunday. Plans were made for the class to attend as a group the Black Hills Passion Play at Lake Wales. Present were Mrs. Warren Battle, Rev. and Mrs. E. Howard Garrett and son, Timothy, Mr. and Mrs. George LeCoe, Mr. and Mrs. Joe Cooke, and daughters, Dr. and Mrs. Clarence Kidder, Dr. Charles Ozaki, Mrs. Floyd Ricker, Mrs. Raymond Roth, John Gibson, Donna Chapman and Dorothy Kidder.

REV. MR. GARRETT IS PAHOEE WSCS SPEAKER

Rev. E. H. Garrett, pastor of Belle Glade Community Methodist Church spoke to the WSCS of Pahoee. First Methodist Church regarding his recent trip to Cuba on evangelistic mission. He was introduced by Mrs. J. T. Boynton, program chairman. Mrs. Frank Friend, president, named Mrs. R. J. Schroder, Mrs. L. W. Armstrong, Mrs. Leo Maxwell, Mrs. I. M. Lair and Mrs. R. W. Sanders on the nominating committee. The Margery Lair circle was named to place flowers in the church in April. Mrs. W. D. Howard was introduced as a new member of the Gertrude Shirley circle which retained the attendance pin for the third month. Plans were made to show Rev. Fred L. Martin of Bradenton, a former pastor, with birthday cards. Mrs. Friend reported on the district meeting recently held in Lake Worth. Dr. Rembert A. Guy, pastor, announced that the corner stone of the new church building will be laid on Mar. 27, and the WSCS will be in charge of the arrangements for dinner on the ground that day. The annual conference of WSCS was announced for April 12-14 at Park Temple Methodist Church in Fort Lauderdale.

Belle Glade WSCS Tea

The Woman's Society of Christian Service in Belle Glade will have a silver tea at the home of Mrs. George L. Royal, on E. Lake Rd., on Friday, Mar. 18, 3 to 5 p.m. The public is urged to attend.

FIRST CHURCH OF CHRIST, SCIENTIST, Belle Glade

CHRISTIAN SCIENCE GROUP, Canal Point

The fact that health and holiness result from spiritual understanding of God's nature will be brought out at Christian Science services Sunday. The Lesson-Sermon entitled "Substance" by Mary Baker Eddy will include the following passage from "Science and Health with Key to the Scriptures": 19-21, 23-24: "The substance of all devotion is the reflection and demonstration of divine Love, healing sickness and destroying sin. One's aim, a point beyond faith, should be to find the footsteps of Truth, the way to health and holiness." The power of God is also stressed in selections from the King James version of the Bible including the following (Hebrews 4:12): "For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and a discerner of the thoughts and intents of the heart."

Pahoee Meth. Choir Party

The junior choir of Pahoee First Methodist Church, numbering about 30 boys and girls, directed by W. A. Slauter, enjoyed a wienie roast following rehearsal Tuesday. Mrs. Josephine Arnold was a guest. Hostesses were Mesdames W. A. Slauter, Hugo Boe, Leo Maxwell, R. W. Sanders, and Lloyd Hundley.

Pahoee Baptist RA Boys, Council Members At Banquet

The young Royal Ambassadors of Pahoee First Baptist Church and their reviewing council are shown at their recent banquet at the church. Grouped in the first two rows are Jeff Barwick, Jimmy Vandegriff, Jimmy McElhenry, Karl Watson, Donald Kelley, Robert Lindrose, Johnny Russom, Tommy Knight, Paul Dixon, David Mitchell, Jackie Ogden, K. B. Wagon. The reviewing council, officers of the Brotherhood and the WMU, standing behind the boys, are: Horace Unwin, chairman of deacons; Harry Sheppard, G. F. Kincaid, secretary of the Brotherhood; Mrs. James Batchelor, church secretary; Mrs. Horace Unwin, young people's director; Mrs. F. G. Gillis, WMU president; Mrs. W. H. Kemp, RA counselor; Mrs. H. L. Speer, stewardship chairman. PHOTO BY GLADES PHOTO SHOP

FATHER PETRIE TO PREACH AT HOLY NATIVITY

The preacher Sunday at 11 a.m. at the Episcopal Church of the Holy Nativity, Pahoee, will be Rev. John Clarence Petrie, former vicar, now in charge of Clewiston and Belle Glade. Rev. M. W. Hainlin will be occupying the Clewiston pulpit at 11 a.m. in a service carried over station WSWN.

Anthony To Address Meth. Men

E. D. Anthony, sr. of West Palm Beach will be the guest speaker at the Men's Breakfast Club at Pahoee First Methodist Church Sunday morning at 7 o'clock, according to President J. W. Reel. All men of the church and friends are invited.

MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

Ford passenger-car sales to customers outnumbered those of any other make by thousands*

AND IT'S EASY TO SEE WHY!

Ford is the leader in styling

Motorists know that Ford has set the style trend in the industry for years. And now, with styling inspired by the fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power

Ford was first in its field (by 23 years) to provide the advantages of V-8 power. Since that time, Ford has built over 14,000,000 V-8 engines—more than all other makers combined! For 1955, Ford offers two new and mighty V-8's, as well as a most modern Six—all with the split-second response of Trigger-Torque power!

Ford is the leader in ride

Ford was first in its field to introduce Ball-Joint Front Suspension—the greatest advance in chassis design in 20 years. And, for '55, it's even better. Springs are set at an angle to smooth out even the tiniest bumps. It's the new Ford Angle-Poised Ride.

Weddings and Engagements

Floral with lighted tapers formed the background for the ceremony. W. L. Cunningham, Jr., sang "I Love You Truly" and "Because," accompanied by Mrs. Zack T. Ingram, who played nuptial music throughout the ceremony.

The bride was given in marriage by her father. She wore a maroon length gown of white organza with a bolero with three-quarter length sleeves. She wore a short veil and a crown surrounded with rhinestones and gardenias and carried a white prayer book with a white orchid in the center.

Matron of honor was Mrs. Buford Chilcoat and the sister of the bride, Miss Esther Bailey, was a bridesmaid. They wore gowns similar to that of the bride. Mrs. Chilcoat's gown was light green and she carried a bouquet of yellow asters and Miss Bailey wore an orchid gown and carried a bouquet of orchid asters.

MISS CATE

Mrs. Robert F. Chamberlain, Pahokee, announces the engagement of her daughter, Miss Charlotte Ann Cate, to Daniel Wayne Burdeshaw, son of Mr. and Mrs. John Price Burdeshaw, Pahokee. Miss Cate is also the daughter of P. M. Cate, Jr., Pahokee.

The bride-elect, a native of Pahokee, attended local schools and will graduate with the senior class of Pahokee high school this spring.

Mrs. Burdeshaw, also a native of Pahokee, was graduated from Pahokee high school with the class of 1954. of Michigan, from which she holds the degree of B.S. in public health nursing, Miss Rodriguez served in Iceland and the Philippine Islands with the Philippine Nurse Corps during World War II. She is a captain in the Officers' Reserves.

At the end of the season in the Glades, Mrs. Richeimer will devote additional time in general health work in the local office, Miss Rodriguez said.

New Project
For the present, the newly-arrived nurse will be working principally on the new project. Hubbard will travel north with the families under study when they leave this summer, continuing research on them.

The migrant project will cover the current year, ending Dec. 31, 1955. The families concerned are variously employed while in Florida, but work as a group for one contractor when they go north.

Miss Richeimer will, working with Hubbard, interview the families' individual members as to their work, health, schooling, housing, recreation, and religion. Miss Richeimer will take a health history on each, and the migrants will receive physical examinations.

Hubbard will follow the migrants on their return to northern states, keeping records on their housing, eating, and travel en route. They will be interviewed at frequent intervals while working in Virginia and New York.

When they return to Florida in the fall, interviews will continue.

Purposes
Major purposes of this survey of some 600 individuals in the designated families, as outlined by the health department are: to alert the migrants themselves to the present state of their health, to give them health records or use in travel from one community to another, to obtain in detail the problems confronting migrants and learn what the migrant does or does not do about meeting the problems.

"If these objectives can be accomplished, for even so small a group of migrants, an important step will have been made toward planning intelligently for the migrant's needs," says the health department of the new project.

Mrs. Richeimer received her master's degree in public health nursing from Peabody College, Nashville, Tenn. She formerly was teacher of health education at Johnson City Teachers College. A graduate of Bethesda School of Nursing, Cincinnati, she holds her bachelor of science degree from the University of Cincinnati.

HOTTEST BUICK IN HISTORY
No wonder you see so many 1955 Buicks on the high-ways—they're rolling up bigger sales than ever before in history—because the popularity that has made Buick in history—topping the "Big Three" in total sales.

Did you think you couldn't afford the price of a new 1955 Buick?
You certainly can—if you can afford any new car. And we proudly show our price here to prove it.

For the delivered price of the Buick SPECIAL Sedan shown here is sharply competitive with those of the three best-known smaller cars—lower, in fact, than some models of those same cars.

Buick Sales Are Soaring
That's one big reason why Buick production and Buick sales are hitting all-time record highs today—and why Buick is outselling all other cars in America except two of the best-known smaller cars.

But an even bigger reason is this fact:
The price you pay for a Buick buys you a lot more automobile than the same money buys elsewhere.

It buys you big-car room and size and comfort and brawn. It buys you Buick styling,

Buick power, Buick handling, Buick ride steadiness—and the fun and pride and satisfaction of bossing the hottest car of the year.

And it buys you the widest choice in the industry today. For there's a Buick to fit any price range you name—the low-price SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

So why not come in and see how easy it is to swing the Buick beauty you've got your heart set on? Then you'll see why the thrill of the year is Buick in a lot more ways than one.

DID YOU KNOW—

- that the Buick SPECIAL is priced below any other car of 168 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three best-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

BANDS READY FOR CONTEST

The Belle Glade and Pahokee high school bands were in final preparation to enter sections in the district band contest next week, with Bandmaster John Munroe presenting tonight the first annual Belle Glade high school band solo and ensemble night, and Bandmaster Lampi listing his contestants.

At tonight's musical event at Belle Glade, all entrants who are to participate in the district band contest at Lake Worth will be featured.

The mixed clarinet quartet consisting of Nedra Mikovsky, Donna Armstrong, Sandra Register and Frances Sloan and a trombone quartet consisting of Dick Pupere, Billy Tom Forsee, Bobby Willis and Jay Freeman will take part. Soloists will be Laurie Anderson, clarinet; Jeanne Willis, oboe; Yvonne McTaggart, clarinet; Stewart Boots, bass; Jeannette Buss, bassoon; Leonard Higbee, pianist; Bobby Willis, trombone; Dick Dupree, trombone; Linda Close, soprano clarinet; and Mary Claire Criden, twirler.

According to Bandmaster Munroe, this performance will give the band the experience of performing before the public before the contest takes place as well as to give those interested an opportunity to observe the work the band is doing.

Participating in the solo division will be Cindy Friend, Nancy Thomas and Glenda Russom, baton twirling; Chuck Elliott, Kenneth Williamson and Jerry Rutherford, snare drum; Harry Elarbee, Philip Dulany and John Williams, cornet; Val Gabaldon, alto saxophone; Rose Marie Henderson, Judy Starling, clarinet; Sandra Lampi, oboe; James Stamps, trombone; Joyce Cobb, French horn; Bill McIlwain, Philip Dulany and Anita Cowart, piano. In the ensembles will be sax quartet, Val Gabaldon, Glenda Russom, John

Today this newspaper, founded in 1932 by Charles Barfield, lights a candle in observance of continuous publication since its resumption in 1945. Fact is, last month, on Feb. 18, we rounded out our first year as an all-Glades publication. And not only that, in a couple of more months, OBSERVER's owners will mark three years since their arrival in the Glades.

OBSERVER expects to continue journalistically to peer over the area for a long time to come—even if "the first hundred years are the hardest."

first session of the Institute. The next session for adults will be on Tuesday night at 7:30 o'clock. A special invitation is extended to anyone in this area and particularly to neighboring PTA groups. Regular study group credits will be allowed for the course for the groups trying for blue ribbons.

There will be a follow-up meeting which will be in the form of a youth-adult panel discussion, with Dr. Robert J. Schmidt, assistant professor in the school of social welfare, Florida State University, as the moderator on Friday evening at 7:30. Dr. Schmidt is in charge of the Institute for both the high school students and the adult groups.

The Family Life Institute is sponsored by the general extension division of Florida and the Belle Glade PTA and offers a five-hour course for high school students and two night sessions, Monday and Tuesday at 7:30, and the follow-up meeting Friday.

McCurdy Now First Looney

GAINESVILLE—Willard McCurdy, jr., of Pahokee, is among 14 University of Florida ROTC cadets receiving promotions here. McCurdy is now a first lieutenant, Col. Harry M. Grizard announced.

Ashley—

(Continued From Page 1) who are responsible to him. Commissioners Ashley, Close, Zack Ingram and Carlton dispatched the business before the commission prior to its reorganization. Among other matters, they accepted the recommendation of the planning board that a park site be obtained from J. W. Lyons adjacent to a new subdivision platted by him at NE Ave. H and running to NE Ave. F.

Attorney Jack Ackerman ap-

peared in behalf of James Coney requested that the commission not revoke Coney's taxi license on account of his having been convicted on a charge of using the vehicle to transport, bolita equipment. Commissioners decided to revoke Coney's license and Close said that he would assist Coney in finding employment.

Table Transit

City Clerk Frank Anderson read a letter from the City of Ft. Pierce setting forth that community's experience with the Sunrise Transit Co., Inc. during the time that firm had a bus franchise there. Commissioners tabled action on whether to grant Sunrise Transit a franchise to operate buses in Belle Glade.

City Manager Robinson was

given the responsibility of working out a plumbing code to conform with state statutes. Sanitary Engineer Board has reported that the local plumbing code is at variance with state standards, particularly in regard to septic tank capacities.

Robert Y. Creech, Jr., appeared before the board relative to action being taken to use the north side, instead of the south side of the Hillsboro Canal for the deepening operation now in process by Central and Southern Florida Flood Control District's contractor. Commissioners felt that less disturbance would be caused to property by use of the less cumbersome north side for drag line work. Necessary administrative orders are in process to clear the way. Creech was told for the work.

Rabin Message

Before the commission canvassed the run-off election held Tuesday, a message was read from former Mayor Rabin expressing his continued interest in city welfare and regretting his inability to be present at the reorganization meeting.

Anderson read the report of the election officials tabulating 384 votes cast for Ellis and 380 for J. W. A. Thibault. The commission accepted the election figures and declared Ellis' election valid and without fraud. In other actions the commissioners:

PAID general fund bills totaling \$7,345.57 and water bills in

the amount of \$1,937.56; ACCEPTED Glades Machine Corp. bid for a garbage truck for \$1,288.50; HEARD the January report of the Port Mayaca Cemetery Commission; and AGREED to lay sidewalks around the tool shed in City Park.
